- Additional features:
  - An app that tracks the cheapest gas prices around the HW Campus
  - Senior lots are at a premium price, junior lots are cheaper, and sophomore lots are the cheapest
    - Some way to make parking spaces available (more carpools) so that there are more than just a few spaces open a day.
- Features:
  - Some AI to figure out compatibility
  - Strike system for renting a spot, but not parking
  - Strike system for parking in an empty spot
  - There should be at least 12 hours' notice when renting the spot
